Foreign Broadcast Information Service F. A. Mailroom Cairo, Egypt	
Department of State Washington, D. C.	
Dear	25X1
Preparations have now been nearly completed for sending pioneer team to Cyprus, and I want to make you acquainted with the arrangements.	
Services Branch is assuming complete responsibility for acquisition of land, letting of contracts, construction, procurement of supplies and equipment and other administrative matters.  Chief of Supply Division, and	25X1
chief of Contracts Section, will be Services srance representatives and will carry the ball on getting the station set up. FBIB representatives will act in an advisory capacity, making clear our operational requirements and offering all suggestions and assistance possible.	23/1
FBIB representatives will be It is believed advisable to have the	25X1 25X1
organisation represented, particularly in dealing with British officials, by a man of military rank, and will be in charge of the PBIB contingent, with responsibility to this office.	25X1
I should like you to devote your primary attention to continued efficient operation at Cairo to avoid the letdown which any prolonged absence on your part would entail, particularly as the prospective move becomes known to the staff, and to making preparations for the move from the Cairo end.	25X1
nowever, being new to the organization, will be in constant need of your advice and help, particularly in regard to staffing the new station, whether by transfer or by recruitment; and it will probably be necessary for one or both of you to commute frequently between cairo and Cyprus.	25X1
Present plans call for the entire party of five to leave here on 26 January for Cairo. will proceed to Cyprus immediately after consulting you.	25X1
